

50th anniversary CIB Annual Rally – join us on Saturday 13 April 2019

The Campaign for an Independent Britain is celebrating our fiftieth anniversary this year, but it is still not clear whether we will have anything to celebrate. However, as the UK's oldest membership organisation campaigning for UK independence from the EU we have been fighting for our sovereignty for half a century, and we're not going to stop now!

Join us on **Saturday 13 April 2019** from **2.00 pm to 6.00 pm** as a top line-up of speakers from the Brexit movement analyse crucial issues such as the Irish backstop, EU military integration, and grassroots networking and campaigning. Put your own questions to the panel in our Q&A session, as we look to the future and discuss how to secure our sovereignty for future generations.
