

# Association Agreement with EU is NOT just a trade agreement!

I heard a debate on Deutsche Welle in which the pro-CDU (ruling party) participants all kept insisting that the Association Agreement that Ukraine is being urged to sign before they have a chance to read it is only a trade agreement. None of the other participants, even those more friendly to Russia, seemed to know that this was a lie. This is typical of the lies and treachery with which the EU was shoved down the throats of most European nations. So being a nosy kind of guy, I went and found the text of that agreement.

Here is an example of this treachery in Article 16 of this agreement:

[http://eeas.europa.eu/ukraine/pdf/4\\_ua\\_title\\_iii\\_justice,\\_freedom,\\_security\\_en.pdf](http://eeas.europa.eu/ukraine/pdf/4_ua_title_iii_justice,_freedom,_security_en.pdf)

1. The Parties reaffirm the importance of joint management of migration flows between their territories...

Article 19 elaborates:

3. The Parties shall take gradual steps towards a visa-free regime in due course, provide the conditions for well-managed and secure mobility, set out in the two-phase Action Plan Liberalization presented at the EU-Ukraine Summit of 22 November 2010, are in place.

This means open borders are the ultimate goal (or multi-kulti, a pillar of the New World Order ideology). This will add even more unemployed immigrants to the rolls in UK, Germany, Holland and any other core countries already groading under the burden of excess immigration. It will also enable more of the crimmigrants in East Europe to show up on Ukraine's

doorstep.

So the next time anyone tells you the association agreement is strictly a trade agreement, show them this. If they continue to argue, show them the door.
