

# Where do your candidates stand? (1) Civil Liberties

## QUESTIONS EVERY CANDIDATE SHOULD ANSWER

Whatever the party manifestos may say, the finer points of a future Brexit settlement are by no means done and dusted, regardless of the makeup of the next government.

The Campaign for an Independent Britain will be producing a few questionnaires for you to mail to all your prospective Parliamentary candidates. The will address issues where so far, what we have heard from Mrs May's Government has not been particularly encouraging. We want to raise the profile of these issues and make it clear that we will not accept a half-baked Brexit.

Our first downloadable questionnaire covers civil liberties, particularly the European arrest Warrant. If you would like to know more about this subject, Torquil Dick-Erikson's speech at a CIB meeting last March will provide you with the main points of concern.

Our questionnaire can be downloaded [here](#). Please feel free to print off as many copies as you like
