

# **“Jacob in shorts” – FIVE exclusive 60-second video ‘shorts’ of our interview with JRM**

**An honest, frank assessment from Jacob Rees-Mogg MP of Brexit and where we are today**

**CIBUK and [Facts4EU](#) present the former BEIS Minister’s thoughts on important subjects**

Relatively few politicians down the years have become instantly recognisable by their first name. Those who spring to mind include ‘Winston’, ‘Maggie’, ‘Ronnie’, and ‘Boris’. To this illustrious list we must add ‘Jacob’.

Facts4EU and CIBUK were therefore particularly pleased to interview the Rt Hon Jacob Rees-Mogg MP at the end of last year, in the library of his North Shropshire home via Zoom. For readers who missed it, the full interview can be accessed [on YouTube here](#). Alternatively readers can [read the highlights from the transcript here](#).

For those who do not have the time to watch a half-hour interview, however, we have now collated five moments on some key topics. We are presenting these five “Jacob in shorts” below. He spoke to us exclusively on a range of topics and we have packaged these into ‘bite-sized chunks’ of five 60-second videos and are grateful to Mr Rees-Mogg for his assistance in helping us to get these important messages out there.
