The Norway Option DVD

Living outside the European Union – Find out how Norway has prospered outside the European Union but part of the “European Economic Area” (EEA). Publicist Peter Troy and director Tony Baker, an experienced political documentary maker together with anti-EU campaigner Richard North visit Norway and meet politicians, journalists and business people to see what we in the UK from the Norwegians. The 35 minute DVD film production is recommended viewing for people interested in the vexed debate on In or Out of the EU.
