

Out on the town in Manchester!

Members of CIBUK and Facts4EU with some of the stars of the Independence Documentary

Ahead of the launch première on Monday morning, members of the CIBUK and Facts4EU team met some of the stars of the movie the night before in person at a glittering black-tie gala event (not ours) to thank them again for giving up their time. Readers will certainly recognise some of the famous faces!

**Some of the people filmed in our documentary,
plus some of the Facts4EU and CIBUK teams**

From left to right above:

1. Our Chairman with the Deputy Chairman of CIBUK at Facts4EU's headquarters for the event
2. Our TV presenter Alex Phillips, our Chairman, and Liam Halligan, Economics Editor for GB News
3. Former MEP (and guest in our film) Belinda de Lucy with Alex and our Chairman
4. Dr Nile Gardiner, of the Heritage Foundation Washington DC (and one of our speakers at the Première)
5. And finally, someone whom everyone will recognise! Nigel is another of the guests in our film.

And now three 'teasers' – 30-40 second excerpts from the movie
