

Some pictures of the anti-austerity rally on 25th March

On 25th March, several members of the Campaign for Independent Britain joined with representatives of EPAM, the United People's Front, to protest about the EU-imposed austerity which is crippling Greece. The demonstration was held in front of the Greek embassy in London and was one of a number of similar demonstrations held in several European capital cities.

Here are a few pictures of the event.

If you would like to find out more about the extent of the suffering among the Greek people, former Ambassador Leonidas Chrysanthopoulos will be one of the speakers at the forthcoming CIB Annual Rally on 29th April. His subject will be:- **Greece – the cradle of democracy with no democracy and EU-inflicted poverty**
