

# Special offer:- Fishing for Leave embroidered shirts and tops

Would anyone like either a shirt for going to meetings or a grey top for day to day embroidered with the Fishing for Leave Logo?

The shirts are a small name and logo on the front breast.

The tops the same but with a larger embroidered logo on the back.

FfL is promoting this offer in the hope that it will help make sure that we get a policy that will allow us to thrive rather than consolidate to a few.
