

# The most important year since 2016

## *'A special plea in a pivotal year from your CIBUK'*

Dear readers

It will not have escaped your attention that 2024 promises to be a momentous year politically for all of us, regardless of individual party allegiances.

### *The most important year since 2016*

Indeed 2024 is probably the most important political year in Britain since the Referendum vote in 2016. So much hangs in the balance and so much threatens to be overturned if we do not galvanise ourselves urgently for the challenges that lie ahead.

Already the massed ranks of the rejoinder movement are assembling with one goal in mind: to ease Britain into ever closer alignment with the European Union until we are firmly back within its embrace.

We are doing as much as we can to rebut the remainer cause, but inevitably we need to do more if we are to make a difference.

### *CIBUK Membership*

In the light of current developments therefore, may I make a particular appeal to you all to become a member or renew your

annual membership subscription with us so we can continue our vital campaign work in fighting to uphold the principles of democracy, freedom and sovereignty on which the 2016 Referendum were fought?

To those of you who have already done so, my sincere thanks. To those who have yet to do so, could I ask you to complete your membership renewal as soon as possible?

---

## ***Special Appeal***

We realise it is asking a lot in these difficult times, but if you are able to provide a donation over and above your annual membership fee we would be hugely grateful. It is no exaggeration to say we face a pivotal moment in our nation's history and any contribution however small that people can make to help us safeguard this nation and its people is hugely appreciated.

It is quick and easy, with an option to join or renew your membership and/or simply to donate. You will receive a personal 'thank you' from a member of our team within 48 hours if you do.

**Please donate today**

*You can make a difference*

---

With sincere thanks and best wishes

**Ben Philips**
