

Your ‘Independence Documentary’ – filming starts next month!

Stellar line-up of senior MPs & Peers, plus old & young commentators, with famous TV presenter

This is going to be big – can you help us raise the last £10,000 to make it?

We are delighted to announce that the former GB News and current Talk TV star, Alexandra Phillips, has signed up to be the presenter of the CIBUK and Facts4EU “*Independence Documentary*” to counter those documentaries currently being filmed by the Rejoinder organisations.

Alex is most recently known for having taken down the arch Remainer-Rejoinder Alastair Campbell on BBC Newsnight – something it seems he still hasn’t got over. For readers who find themselves unable to watch the BBC any more, here is the clip.

Summary

The Independence Documentary

- To re-emphasise the positive case for an independent UK, which is increasingly under threat

- To rebut the negative case being made by the Rejoiners who wish to drag us back into the EU
 - To take on issues such as Net Zero, open borders, uncontrolled immigration, more lockdowns, gender politics, cancel culture, under-funded defence and the like
-

Alex will be interviewing a stellar cast of MPs, Peers, 'experts' in various fields, old and young, of both genders and various ethnicities. We will be covering a wide range of topics:

1. Brexit benefits
2. Sovereignty, independence and democracy
3. Immigration – legal and illegal
4. Health services, schools, housing, etc
5. Economy and trade
6. Northern Ireland
7. REUL
8. Defence
9. Freedom of Expression / media bias
10. Net Zero & Environmental Fundamentalism

11. Agriculture and fisheries
12. Continental Eurosceptics giving their perspectives

The public has stepped up to help us get common sense views out there

We have nearly reached our crowd-funding target of £75,000. We just need an extra £10,000 to get us over the finishing line. Can you help? Every little donation helps.

Here's an appeal from CIBUK's Communications Director, Ben Philips, (no relation to Alex!). This was filmed before we got to within £10,000 of our funding goal.

Finally, a film which delivers Brexit facts and the views of some major voices

We already have a wide range of senior politicians and commentators who have agreed to take part in what will be a punchy, dynamic, and fact-filled TV-style documentary. We have a great presenter in Alex Phillips, a professional camera crew, and a professional video editing facility lined up.

The Remainer-Rejoiners have raised £100,000 for the first of their two 'documentaries'. The difference between ours and theirs is that ours will quote facts rather than lame and inaccurate 'forecasts'.

Observations

This is going to be so good!

Unlike the Rejoinder-Globalists' documentary, ours will be packed with facts and will benefit from the knowledge and wisdom of some serious politicians and commentators.

At the time of writing this is still available to mainstream media outlets as an exclusive. Contact us [here](#) if you're interested.

To members of the public : please help if you can. We are so close to our target and just need your help to get us over the line. Thank you.
